

Hanging banner-Ballon Football

— Blue line = Background

— Red line = Text area

- - - Gray line = Size

outside print

Any Pantone colors?

inside print

Have you...?

- Used CMYK colors?
- Vectorized your text?
- Used good quality images?
Change the size of the your artwork to the real-life size, then scale to 100%. If the image is still clear, you're good to go :)
... or just use vector file.
- Embedded your images?
- Saved your file as .pdf/.ai?
(preferred)
