

# Hanging banner-Pinwheel-Small-10'x3'

— Blue line = Background

— Red line = Text area

- - - Gray line = Size

outside print

inside print

**Any Pantone colors?**

**Have you...?**

- Used CMYK colors?
- Vectorized your text?
- Used good quality images?  
Change the size of your artwork to the real-life size, then scale to 100%. If the image is still clear, you're good to go :) ... or just use vector file.
- Embedded your images?
- Saved your file as .pdf/.ai?  
(preferred)
