Any Pantone colors?

Have you...?

- ☑ Used CMYK colors?
- ☑ Vectorized your text?
- ☑ Used good quality images?

  Change the size of the your artwork to the real-life size, then scale to 100%. If the image is still clear, you're good to go :) ... or just use vector file.

- ☑ Embedded your images?
- ☑ Saved your file as .pdf/.ai? **(preferred)**
