Any Pantone colors?

Have you...?

☑ Used CMYK colors?

☑ Vectorized your text?

☑ Used good quality images?
Change the size of the your artwork to the real-life size, then scale to 100%. If the image is still clear, you're good to go :) ... or just use vector file.

☑ Embedded your images?

☑ Saved your file as .pdf/.ai? **(preferred)**

Attention:

If you only order 1-sided wall, leave one side of the template blank.
